WORKERS' COMPENSATION INSTRUCTIONS TO EMPLOYERS AND EMPLOYEES

All employees of this establishment entitled to benefits under the provisions of the Arkansas workers' compensation laws are hereby notified that their employer has secured the payment of such compensation as may at any time be due employees or their dependents. This employer is required by state law to provide workers' compensation coverage or this employer has waived the exclusion or exemption from the operation of the workers' compensation laws, and the employer certifies by the display of this poster that workers' compensation coverage is now provided by a workers' compensation insurance policy or by enrollment in the Arkansas Self-Insurance Program or by the Public Employee Claims Division of the Arkansas Insurance Department.

IN CASE OF JOB-RELATED INJURIES OR OCCUPATIONAL DISEASES

The Employer Shall:

1. Provide all necessary medical, surgical and hospital treatment, as required by law, following the injury and for such additional time as ordered by the Workers' Compensation Commission.
2. Provide compensation payments in accordance with the provisions of the law. The first installment of compensation becomes due on the 15th day after the employer has notice of the injury or death, except in those cases where liability has been denied by the employer.
3. Provide prompt reporting of accidents to appropriate parties.
4. Keep a record of all injuries received by its employees.

The Employee Shall:

The employee shall report the injury to the employer on Form N and to a person or at a place specified by the employer, unless the injury either renders the employee physically or mentally unable to do so, or the injury is made known to the employer immediately after it occurs. The employer shall not be responsible for disability, medical, or other benefits prior to receipt of the employee's notice of injury. All reporting procedures specified by the employer must be reasonable and shall afford each employee reasonable notice of the reporting requirements. The foregoing shall not apply when an employee requires emergency medical treatment outside the employer's normal business hours; however, in that event, the employee shall cause a report of the injury to be made to the employer on the employer's next regular business day.

Failure to give such notice shall not bar any claim (1) if the employer had knowledge of the injury or death, (2) if the employee had no knowledge that the condition or disease arose out of and in the course of employment, or (3) if the Commission excuses such failure on the grounds that for some satisfactory reason such notice could not be given. Objection to failure to give notice must be made at or before the first hearing on the claim.

Statutory Information:

Ark. Code Ann. § 11-9-514(b) states: "Treatment or services furnished or prescribed by any physician other than the ones selected according to the foregoing, except emergency treatment, shall be at the claimant's expense."

Ark. Code Ann. § 11-9-514(f), however, indicates: When compensability is controverted, subsection (b) shall not apply if:

- (1) The employee requests medical assistance in writing prior to seeking the same as a result of an alleged compensable injury; and
- (2) The employer refuses to refer the employee to a medical provider within forty-eight (48) hours after such written request as provided above; and
- (3) The alleged injury is later found to be a compensable injury; and
- (4) The employer has not made a previous offer of medical treatment.

If you have any questions regarding your rights under the Arkansas workers' compensation laws, you may call an Arkansas Workers' Compensation Commission legal advisor at our toll-free number listed above.

All employers who come within the operation of the Arkansas workers' compensation laws and have complied with its provisions must post this notice in a **CONSPICUOUS** place in or about their place or places of business.

AWCC Form P
(Posting Notice)

A posting notice is mentioned in **Ark. Code Ann. §11-9-403**, **Ark. Code Ann. §11-9-407** and **AWCC Rule 7**. **AWCC Form P** satisfies all requirements.

Form P:

1. Is to be on display in a conspicuous place;
2. Tells employers what to do when an employee is injured;
3. Instructs employees to notify the employer immediately (or no later than the close of the next business day) when injured;
4. Lists the claims office that will be handling the insurance aspects of the case;
5. Gives the claims office telephone number;
6. Announces the expiration date of the insurance policy; and
7. Provides telephone numbers for Arkansas Workers' Compensation Commission legal advisors if either party needs assistance.

Employers without **Form P** may lose the use of **Form N** as a defense in litigation. Employees disobeying instructions on **Form P** may delay their benefits or jeopardize the awarding of any benefits in a contested case.

The AWCC furnishes samples, not supplies, of **Form P**. Carriers are to send their insureds an adequate number, and self-insureds must arrange with a printer for the supply they need. Carriers and employers may enlarge **Form P** for posting purposes.

Information about Form P is available from the Support Services Division (1-800-622-4472 or 501-682-3930).

Ark. Code Ann. §11-9-106(a): “Any person or entity who willfully and knowingly makes any material false statement or representation, who willfully and knowingly omits or conceals any material information, or who willfully and knowingly employs any device, scheme, or artifice for the purpose of: obtaining any benefit or payment; defeating or wrongfully increasing or wrongfully decreasing any claim for benefit or payment; or obtaining or avoiding workers’ compensation coverage or avoiding payment of the proper insurance premium, or who aids and abets for any of said purposes, under this chapter shall be guilty of a Class D felony. Fifty percent (50%) of any criminal fine imposed and collected under this section shall be paid and allocated in accordance with applicable law to the Death and Permanent Total Disability Trust Fund administered by the Workers’ Compensation Commission.”

Student workers subject to the 85% provision of the applicable minimum wage rate and a gratuity allowance shall not be paid less than the base wage guaranteed any other employee subject to a gratuity allowance.

STUDENT-LEARNERS

A "Student-Learner" is a person who is receiving regular instructions in an accredited school and who is employed on a part-time basis in a bona fide training program. For further information contact the Department of Labor and Licensing.

OVERTIME PAY

Overtime compensation must be paid at the rate of one and one-half times the regular hourly rate of pay for hours worked in excess of 40 hours in a workweek. This overtime provision shall not be applicable with respect to employers with less than 4 employees, or agricultural employees.

WORKWEEK

A workweek is a regularly recurring period of 168 hours in the form of seven consecutive 24-hour periods.

ENFORCEMENT

The Director of the Division of Labor or his representatives have the authority to:

- (a) **enter and inspect any place of employment in the State to examine books, payrolls, and records having to do with wages and hours. He may copy these records if necessary and may question any employees to find out if the law is being obeyed;**
- (b) **require written or sworn statements from an employer about his employees' earnings and hours of work; and**
- (c) **enforce all administrative rules.**

DEDUCTIONS FROM THE MINIMUM WAGE

No deduction from the applicable minimum wage may be made except those authorized or required by law or by rule of the Director of Labor, however, deductions which are not otherwise prohibited and which are for the employee's benefit may be made if authorized in writing by the employee.

KEEPING OF RECORDS

All employers subject to the Minimum Wage Law must keep accurate records for a period of three (3) years. These records must include the name, address, occupation, rate of pay, hours worked and the amount paid each pay period for all employees covered by the law. In addition, every employer who claims an allowance for tips, board, lodging, apparel or other items or services as part of the applicable minimum wage rate, must maintain daily records showing for each employee the amounts claimed as allowances and must maintain records which will substantiate the amount of tips actually received by the employee or the employer's reasonable cost in supplying items or services to the employee.

EQUAL PAY ACT

No employer in the State of Arkansas shall discriminate in the payment of wages as between the sexes or shall pay any female in his employ, salary or wage rate less than the rates paid to male employees for comparable work. Provided, however, that nothing in this Act shall prohibit a variation in rates of pay based upon a difference in seniority, experience, training, skill, ability, or difference in duties and services performed, or difference in the shift or time of the day worked, or any other reasonable differentiation except difference in sex. Every employer shall keep and maintain records of the salaries and wage rates, job classifications and other terms and conditions of employment of the persons employed by him and such records shall be preserved for a period of three (3) years.

PENALTIES

Any employer who willfully hinders or delays the Director or his authorized representative in the performance of his duties in the enforcement of the Minimum Wage Law or of any rule issued under it shall be subject to a civil penalty of not less than fifty dollars (\$50.00) and not more than one thousand dollars (\$1,000.00) for each violation. For the purpose of this subsection, each such violation shall constitute a separate offense. Any employer who willfully discharges or in any other manner willfully discriminates against any employee because such employee has made any complaint to his employer, to the Director of Labor, or his authorized representative that he has not been paid minimum wages in accordance with the law, or because such employee has caused to be instituted or is about to cause to be instituted any proceeding under or related to the law, or because such employee has testified or is about to testify in any such proceeding shall be deemed in violation of the Minimum Wage Law and shall be subject to a civil penalty of not less than fifty dollars (\$50.00) and not more than one thousand dollars (\$1,000.00) for each violation. For the purpose of this section, each day the violation continues shall constitute a separate offense. In addition to the civil penalty, the Director of Labor is authorized to petition any court of competent jurisdiction to enjoin or restrain any person, firm, corporation, partnership, or association who violates the provision of the law or any rule.

EMPLOYEES REMEDIES

The Director of Labor may enforce Arkansas minimum wage law by instituting legal action to recover any wages due. An employee may bring an action for equitable and monetary relief against an employer if the employer pays the employee less than the minimum wages, including overtime wages, to which the employee is entitled. The employee shall not be required to exhaust administrative remedies before bringing an action. An employee may recover the full amount of wages due plus costs and a reasonable attorney's fee. The employee may also be awarded an additional amount up to but not greater than the amount of wages found to be due, to be paid as liquidated damages for willful violations.

CHILD LABOR

After August 1, 2023, permits will no longer be required. NOTE: All state and federal laws regarding work activities and hours will remain in effect and will be enforced. Enhanced civil and criminal penalties for child labor law violations were provided by Act 687 of 2023.

Provided, however, that no boy or girl between the ages of 16 and 18 shall be subject to the provisions of this Act if:

- (a) such boy or girl is a graduate of any high school, vocational school or technical school;
- (b) such boy or girl is married or is a parent.

Act 647 of 1987 allows for the employment of children in the entertainment industry provided the child is issued an Entertainment Work Permit by the Director of Labor. **Child labor violations result in a civil money penalty of not less than \$100.00 and not more than \$5,000.00 for each violation.**
